Tetiana KOZHUSHKO

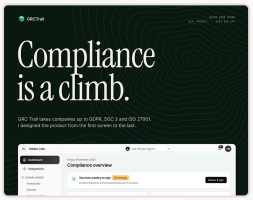

UI/UX & Product Web Designer

I design products people understand without a tutorial. At GRC Trail I was **the only designer** on a compliance platform, from structure to handoff. I also **designed and built a live booking app** for my own dance classes.

Experience

NEWEST FIRST

OCT 2025 – NOW · CURRENT
UI/UX Designer · ACW Soft Solutions
Web and mobile apps for the clients of a software house, from the first flow to the final spec. UX audits, prototype testing with teams and clients, tidy component libraries and developer handoff.

↑ JUNIOR → JUNIOR+ AFTER 5 MONTHS

APR – SEP 2025
Product Designer · GRC Trail
The only designer at a compliance startup (GDPR, SOC 2, ISO 27001). Owned the information architecture and every module.

AUG 2024 – MAR 2025
UI/UX Designer · Move Agency
Website layouts and visuals for agency clients, on short deadlines.

JAN 2023 – JUL 2024
Marketing & PR Manager · Sister's Aroma
Content and retouching for a product brand, where my eye for detail comes from.
